Manukau Institute of Technology
AUCKLAND, NEW ZEALAND

INTERNATIONAL PROGRAMME OVERVIEW

*MIT has been awarded the highest possible rating, Category One, by NZQA in the latest review in 2016.

WHY CHOOSE MIT?

Manukau Institute of Technology (MIT) has been awarded the highest rating, Category One, by NZQA in their latest review (2016).

We are a quality-assured government tertiary education institution with a specific purpose – to deliver theoretical teaching with the practical industry-specific skills and experience employers want.

- New Zealand's institutes of technology are recognised as world-class educators with first rate facilities, technologies and teaching approaches
- MIT is one of New Zealand's largest, high quality institutes of technology
- MIT has multiple campuses across the Auckland region
- Study at MIT and be confident that you will receive an excellent education from a high performing provider
- Students have been choosing MIT since 1970
- Small class sizes mean that you get a personalised teaching experience and help when you need it most
- Many programmes include structured student projects with innovative businesses so you get real-world experience to succeed in today's competitive job market
- You will be supported by our friendly staff from the moment you apply to ensure you succeed at MIT.

**Gain the industry-specific skills you need to get a great job.

PASTORAL CARE AND POLICIES

Supporting International students

At MIT we want you to have the best information and advice about your studies. We offer each student individualised support and information.

Our support services and facilities include:

- course information and programme of study
- assessment of application
- providing a plan of study and offer of place
- providing information on accommodation and arranging homestay or MIT student hostel accommodation
- providing students with access to MIT Pre Arrival Learning portal
- orientation and introduction to MIT
- access to an emergency support 24/7
- visa processing
- access to Learning Support Centre
- Health Centre
- Career Support Centre
- Library.

Accommodation

Homestay

Boarding is arranged with a New Zealand family. You will be provided with a furnished bedroom, two meals on weekdays and three meals on weekends and shared use of household facilities. You can expect to integrate into the family. This can be a very rewarding experience for students and families.

Student Village – MIT Hostel

Our Student Village has 14 houses with nine single bedrooms per house. Each house has two wings, both with a toilet and shower, and laundry facilities. The houses are fully furnished for simple living, so you can arrive with just your personal belongings and live comfortably.

Each bedroom has a computer study desk, broadband internet access, a single bed with bedding and a wardrobe. And for your leisure and convenience, each house has a lounge with a television and phone, and common room facilities are available for all residents.

Take a virtual tour:

www.manukau.ac.nz/student-village

Cost of living in Auckland

Code of Practice

MIT has agreed to observe and be bound by the Code of Practice for the Pastoral Care of International Students. Copies of the Code are available from the NZQA website www.nzqa.govt.nz

Immigration

Full details of immigration requirements, advice on rights to employment in New Zealand while studying, and reporting requirements are available from Immigration New Zealand and can be viewed on their website www.immigration.govt.nz

Eligibility for health services

Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health, and can be viewed on their website www.moh.govt.nz

Accident insurance

The Accident Compensation Corporation (ACC) provides accident insurance for all New Zealand citizens, residents, and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs. Further information can be viewed on www.acc.co.nz

Employment

International students may be eligible to work 20 hours per week during their studies. For more details contact Immigration New Zealand or visit their website www.immigration.govt.nz

Cancellation of a programme

Enrolment in a programme or course is conditional upon and subject to sufficient numbers of students enrolling in that programme or course.

Withdrawal or transfer of International students

If you wish to withdraw or transfer to another course, you must complete the MIT International Student Withdrawal or Transfer Form. The form is available from MIT International:

+64 9 968 8742

internationaladmin@manukau.ac.nz

Full copies of MIT policies, procedures and statutes can be found on the MIT website www.manukau.ac.nz/student-life

www.manukau.ac.nz

APPLY NOW

1. Decide on your programme

Read through the programme information for the areas of study that interest you and select the programme that best suits your needs. Please contact us if you feel you need further information regarding the programmes and courses available.

+64 9 968 8742

international.application@manukau.ac.nz

2. Check that you meet the entry requirements

Each programme has its own entry criteria based on academic achievements, qualifications and/or work experience. When you apply for your chosen programme, you will need to provide proof that you meet the entry requirements, including specific English language requirements (minimum Academic IELTS of 6.0 with no score below 5.5, or equivalent).

For detailed entry requirements please refer to the relevant programme information page on our website www.manukau.ac.nz

If you are unsure if you meet the entry requirements contact us for assistance. We will be happy to advise what qualifications are acceptable for your chosen programme of study.

3. Cross-credits and recognition of prior learning

Cross-credits and recognition of prior learning (RPL) are available to those who can prove competence through work experience, life experience, prior study or a combination of these. Further details are available on request.

4. Apply to study

Apply at www.manukau.ac.nz

You will need to include the following:

- your certified academic transcripts from high school or other education providers (in English)
- a copy of your passport
- proof of meeting language requirements.

For more details, international students can contact MIT International.

5. Accept Offer of Place

Successful applicants will receive an Offer of Place by email. This will include information on tuition fees, insurance fees, method of payment and a copy of the MIT refund policy.

To accept an Offer of Place you must provide the following documents to MIT International:

- completed invoice and acceptance form
- completed accommodation form
- evidence you have applied for your student visa.

6. Apply for student visa

Begin your visa application process.

For information on student visa applications contact Immigration New Zealand or visit their website www.immigration.govt.nz

7. Pay your fees

Payment of the full course fee will be required prior to your visa being issued and commencing studies.

*Zdenda
Bravinek*

Big Trees Company (Ltd)

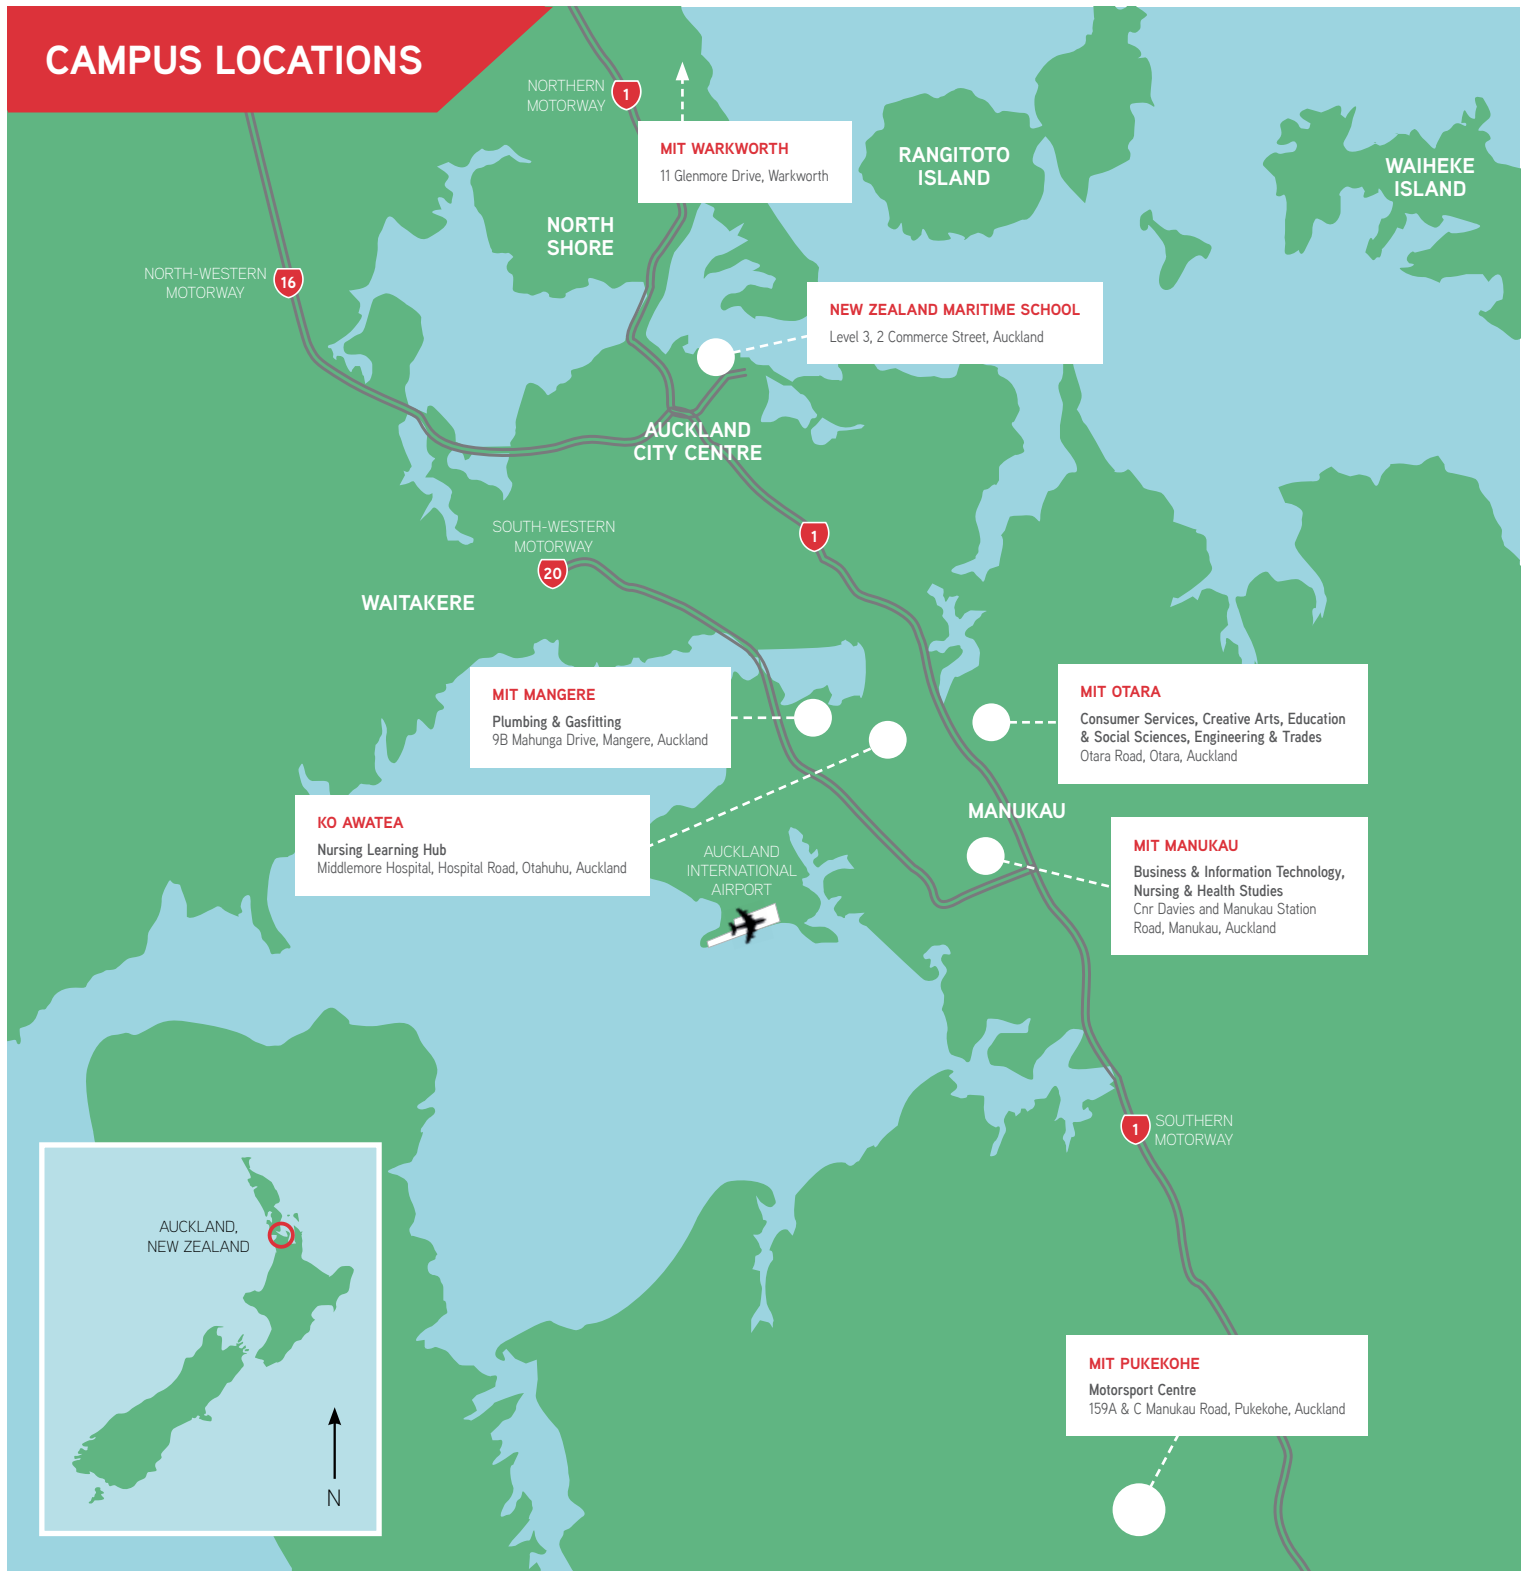

"The great resources and support I got from teaching staff at MIT helped me find my purpose and passion. My course encouraged independent learning through research and coming up with our own ideas, while getting helpful guidance from the tutors along the way."

*Shannon
Rollinson*

Whitford Early Learning Centre
and Private Kindergarten

"Studying at MIT was a great choice. The lecturers were hugely supportive and the combination of practical experience and classroom environment suited how I learn. The results have been extremely rewarding. I now work an Early Learning Centre – a job I entered with the knowledge and confidence I needed, thanks to my course."

CAMPUS LOCATIONS

Information is correct at the time of publication (September 2017). Programme fees may vary depending on your final selection of courses that make up your programme. To provide you with an indication of costs, the approximate fees quoted in this publication are based on the indicative 2018 fee structure. If your fees are paid by credit card, a credit card fee will be payable in addition to programme fees. All fees are in New Zealand Dollars. You will be advised of the current fees at the time of enrolment. All courses and programmes will proceed subject to numbers and academic approval. Manukau Institute of Technology is accredited under the provisions of the Education Act 1989.

[^]Pending approval.

[~]Programme fees, for programmes with a duration of one year or more, are approximate costs per year.

^{*}Fee (per academic year). An academic year is 34 weeks (8 months). The programme is run consecutively over a 68 week/16 month period.

[#]If you have completed the New Zealand Certificate in Hairdressing (Salon Support) (Level 3) your study duration will be 17 weeks.

Your course fees can be provided upon application.

Code of Practice for the Pastoral Care of International Students: MIT has agreed to observe and be bound by the Code of Practice for the Pastoral Care of International Students. Copies of the Code are available in 10 languages from the NZQA website www.nzqa.govt.nz
