Introduction

This research report presents Manukau Institute of Technology's research outputs for 2016 in summary and in detail. The outputs are organised according to the degree programme with which the author is associated. Authors not directly associated with a degree programme are listed under 'other'.

Detailed Listing

The detailed listing of all research outputs is organised into degree programmes. Where the output has multiple authors it is listed separately under each author.

Summary of Research Outputs 2016

The table below shows the total research outputs in 2016 associated with degree programmes. Outputs are sorted into two categories; quality assured publications, and all other types of research outputs.

Degrees	Quality Assured	Other	Total
Bachelor of Applied Counselling	1	0	1
Bachelor of Applied Management	14	14	28
Bachelor of Applied Social Work	4	7	11
Bachelor of Applied Sport and Exercise Science	4	1	5
Bachelor of Creative Arts	5	17	22
Bachelor of Education (Early Childhood Teaching)	7	13	20
Bachelor of Engineering Technology	9	1	10
Bachelor of Information and Communication Technologies	16	4	20
Other	7	10	17
TOTALS	67	67	134

NB: Data includes late additions and is subject to final audit.
